Children's Water Safety Awareness is a 501(c)(3) non-profit organization based in Houma, LA that promotes water safety to all in our community. We directly represent four families from this area that have lost a loved one to a drowning incident. Over the last 2 years, we have sponsored free swimming lessons to over 100 children in the Houma/ Thibodaux area, as well as hosted free CPR lessons for over 50 parents and family members. Earlier in 2018, we launched our Life Jacket 4 Life program where parents can purchase a discounted life jacket and as their child outgrows it, they can swap it out for the next size at no additional cost! If you or your company would like to get involved or would like to donate, simply call Joey Vining at 986-860-6625 or e-mail us at cwsahouma@gmail.com

IF WE CAN SAVE ONE LIFE, IT'S ALL WORTH IT!!
